COLLECTIVELY WHAT WE DO

FAIN fights against federal and Victoria State Government inaction on policies that hurt and harm the poorest in Australia's population and continue to entrench inequality. **FAIN fights to end inequality.**

We aim to increase awareness and understanding of inequality within the Australian community.

FAIN campaigns in the runup to the 2025 federal election urging federal parliamentarians and those seeking (re)election to commit to act on a national recommendations policy statement to end inequality and calls on the Victoria State Government to endorse the recommendations and that both governments, through policies and programs, work towards ending inequality.

We encourage and support existing community groups' collective action to develop local FAIN campaigns in greater metropolitan Melbourne, regional areas, towns and cities in Victoria.

HOW WE CAMPAIGN

By advocacy, building the network, community organising, direct action, lobbying, media – both social and traditional – public education, and research.

GOVERNANCE AND STRUCTURE

FAIN was established on 5 April 2024 and incorporated on 9 April 2024. FAIN follows the model rules for running an incorporated association, including annual general meetings.

FAIN works through a Victoria coordinating committee with two co-chairs, a secretary, a treasurer, a coordinator and up to five other members. All committee members are volunteers. FAIN administers its finances based on the principles of honesty, integrity, accountability and transparency.

FAIN is run as an independent volunteer network commencing in Victoria and spreading nationally, and is non-party political.

Membership is free and our work is supported by donations.

FIGHT AGAINST INEQUALITY NETWORK INC.

FAIN acknowledges Australia's First Nations Peoples – the First Australians – as the Owners and Custodians of the land never ceded upon which we work and live; the Wurundjeri people of the Kulin nation.

We pay our respects to Elders past, present and emerging and extend our respect to all Aboriginal and Torres Strait Islander peoples today.
