

# FEDERAL ELECTION 2025 RECOMMENDATIONS

## Fight Against Inequality Network Inc. Victoria says it is time to **EXPOSE AND END INEQUALITY**

FAIN has a recommendations statement and **4 demands** for national policy reforms:

- Prioritise **policy reforms** to end inequality
- **Establish a Minister** with portfolio to end inequality
- Develop a comprehensive **National End Inequality Strategy** in the 48th Federal Government
- Reduce inequality by **30%** in Australia by **2040** and **towards ending it**

Our **Recommendations Statement** covers 6 broad policy areas along with recommended policy **solutions towards ending inequality.**

Check it out on our website!

**Call on your local federal candidates** standing for (re)election to:

- **Endorse** the demands and recommendations statement
- Make a **public statement** about the need for policies that address inequality
- Take ending inequality policy commitments to the **2025 Federal Election**
- Take **urgent action towards ending** inequality in the 48th Government if (re)elected

Make it clear to your candidates that **you will be voting for politicians who support the calls for change and policies for ending inequality.**

**Join with others and help make a difference!**

**FAINetwork.COM**

FAIN is a network of people and organisations unified against and fighting to end inequality.
